Hi everybody,

ONLY 2020 MEMBERS ARE ALLOWED TO ENTER COURTS AND PLAY

Our courts have been open for play for 2 weeks now, and many members have already joined for this year and enjoyed their tennis games.

However, unfortunately a problem has come to light in as much that some members do not adhere to the guidelines by which we are required to play at present. These guidelines were communicated to all our members of last year and new members this year via my emails, so there is no excuse for not following them. The guidelines are also listed on our website at www.heronparktennis.com under the "News" button.

The problem that has occurred is that some members that have registered for 2020 play with partners that have not yet registered, so are not members of our club. Please note that **ONLY MEMBERS THAT HAVE REGISTERED FOR 2020, i.e. SIGNED THE APPLICATION FORM AND PAID THE FEE, ARE ELIGIBLE TO ENTER THE CLUB AND PLAY**. This is a very important rule to follow. Before you book a partner, ask this partner if he/she is a member of the club or double check with Ian Winningham, if unsure. All names have to be entered in full, no abbreviations are allowed.

To a certain extent I find it very disappointing that I have to write this email. I thought that **all** our members would be honourable and follow the rules. I am asking everybody to be vigilant. We don't want to be shut down because of the actions of a few.

A big kudo to all our 2020 members who are doing the right thing by following the current guidelines.

Regards,

Renate President
