

Hi everybody,

We have been advised by the STF (Scarborough Tennis Federation) that the 2020 league has been cancelled as they still have not heard from the City of Toronto if and when doubles play will be allowed. The season would be too short.

We'll continue to play singles as we have done over the last few weeks until advised otherwise by the City and Public Health.

Enjoy Canada Day and celebrate as best you can. We'll celebrate and sing the anthem together again at the club next year!

Regards

Renate President
