

Hi everybody,

Here is the news that many of you have been waiting for: **We are allowed to play doubles!**

I got an email today from the City announcing this change to their tennis policy. All other restrictions, like keeping your distance, no socializing, using your own tennis balls, no guests or visitors allowed, etc. as announced previously, are still in place.

Up to now, things have gone well. The booking system is also working well allowing us to fulfill the requirement of being able to track when people have played and contact them if it ever becomes necessary. Please continue to abide by the rules so we won't get into trouble.

So, all you dreamers who have been dreaming of getting back onto the courts to play doubles, your dream has come true. Please read all the guidelines that we have posted under the "News" menu on our website to ensure you are familiar with the rules we have to follow under covid. Also remember that you are playing at your own risk.

Have fun!

Regards,
Renate
President
